**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep competition in. Broadband. My business needs high speed so the current fiber optic service provided by Sonic is mandatory for us to survive. The US is based on companies competing to innovate and provide better service to its customers. Please keep this a part of the American landscape.
